Definitions - Summary of Claim Experience Report

This page defines the data items in the two sections of Summary of Claim Experience Report. The Summary and Claim Details sections follow this page.

Summary Section:

This section of the report lists claim counts, claim losses and contributions grouped by policy type and fund year.
Fund Year = Accident date in year beginning October 1 and ending September 30.
Reported Claims = Number of claims reported.
Claims with Values = Number of claims reported with some loss value.
Contribution = Contribution paid to Pool. Does not reflect annual payment discounts or Equity Returns.
2015-16 Contribution = Pro-rata of annual contribution.
Loss Ratio = Incurred Pool Net Loss / Contribution in %.
Claim Values:

	Total Loss	Recoveries	Total Loss Net of Recoveries	Member Deductible	Pool Net Loss
Incurred	Total claim reserves	Total claim recovery reserves	Total claim reserves - Total claim recovery reserves	Total deductible reserve	Total claim reserves - Total claim recovery reserves - Total deductible reserves
Paid	Total paid losses	Total paid claim recoveries	Total paid losses - Total paid claim recoveries	Total paid deductible	Total paid losses - Total paid claim recoveries - Total paid deductible
Outstanding	Total claim reserves - Total paid losses	Total claim recovery reserves - total paid claim recoveries	Total claim reserves - Total paid losses - Outstanding recovery reserves	Total deductible reserve - Total paid deductible	Total outstanding reserves - Total outstanding recovery reserves - Total outstanding deductible reserves

Claim Details Section:

This section of the report lists individual claims in two sorted groups:
- All open claims sorted by ascending loss date.
- Closed claims with accident loss dates between October 1, 2009 and current as of reporting date. The claims are sorted by ascending loss date.

This section of the report has many of the claim values defined above. Other claim values listed are:
Net Incurred = Total incurred loss - Recoveries - Total Deductible Reserve
Net Paid = Total Paid - Recoveries - Total Paid deductible
Net Open Reserves = Net Incurred - Net Paid
