Commissioner Tafolla, seconded by Commissioner Rivera, moved to open all public hearings as presented. The motion carried unanimously; Mayor Wise was present, but not voting.

The City Manager stated that the City may consider the option to establish a floating zone as part of the comprehensive plan, an option the Planning and Zoning Commission was not aware of at time of consideration; Joe Pedraza explained that when the comprehensive plan classifies an entire community, a single property may float as that zone until the neighborhood catches up. Mr. Jose Trevino, Jr. explained his intentional use for the property, stating that since business will be conducted by appointments only, parking and traffic congestion should not be any problem; also, since the comprehensive plan addresses the neighborhood as a whole, the float designation should not affect property tax rates for residences within the community.

The Mayor stated that it may be beneficial to refer this zoning request back to the Planning and Zoning Commission in light of legal guidance regarding float zoning. The Mayor Pro-Tem indicated it may be appropriate to re-evaluate the comprehensive plan to determine the best use of land and incorporate commercial growth trends.

Mr. George Lopez, Ms. Sandra Molina, Mr. Ramiro Trevino, and Ms. Gloria Flores spoke for the zoning change; Ms. Yolanda Mendez and Ms. Brenda Reyes spoke against it.

- B. To solicit input on a request by Ramiro R. Lozano to amend Zoning Ordinance No. 320 and the City of Weslaco Zoning Map to rezone 103 Pena Avenue, also being Lot 2, Block 1, Feliza Pena Subdivision, Weslaco, Hidalgo County, Texas, from “R-1 Single Family Dwelling District” to “B-1 Neighborhood Business District.”

There were no public comments on this request.
