## Boil Water Rescind Notice

On October 8, 2013, the Texas Commission on Environmental Quality (TCEQ) required our public water system City of Weslaco Water Treatment Plant, PWS ID 1080011 to issue a Boil Water Notice (BWN) to inform our customers that due to an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of October 10, 2013.

If you have questions, contact David Salinas, Public Utilities Director at the Public Utilities Office at 956-973-3146.

If a customer wishes to reach TCEQ, they may call 512-239-4691.

David Salinas,  
Public Utilities Director
