Addendum No.: 1

April 18, 2016

Notice is hereby given to all prospective respondents for "Energy Service Companies for Performance Contracting - RFP/Q No.: 2015-16-08" for the City of Weslaco as follows:

1. References - On page 7, the RFQ states that we have to have (15) references. How are we to 'prove' this to you? Do we just list the Cities that we have done a PERFORMANCE CONTRACT with in Texas? **Five References Only**
2. References - On page 11 the RFQ says to discuss no more than (3) and provide (4) in the past three years with specific info listed. Can you clarify please. Do we list 3 or 4? Or is it 15 based on the information in my first question? Either way is fine since we can provide them all. **Three Only**
3. Being that this solicitation is a Request for Qualifications, what is the purpose of the walk-through that you describe and the City expectation for that walk-through? **Walk-Through is optional because this is a Request for Qualifications not a Request for Proposals**
