Weslaco Police Department Investigating Allegations

Weslaco— In May of this year sworn affidavits were submitted to the City of Weslaco that prompted an internal affairs investigation to determine if there were any departmental rules violations and/or criminal misconduct in the Weslaco Police Department. The City currently is conducting an internal affairs investigation on the possible departmental rules violations. The sworn affidavits were delivered to the FBI so that agency can look into any alleged criminal misconduct.

The City of Weslaco considers any credible allegations of impropriety seriously and takes the appropriate action to maintain the highest ethical standards. Commenting on personnel matters is not proper because employees' rights must be protected. Any further questions should be directed to city legal counsel.
