

Commission Videos on Web

Presented by: E. Rey Garcia
Director of Information Technology

Commission Videos on Web

- Gov. 2.0
 - Becoming more transparent to the Citizens of Weslaco. We now use Facebook, Twitter, MySpace, Flickr and are expanding to meet the needs of our Audience.

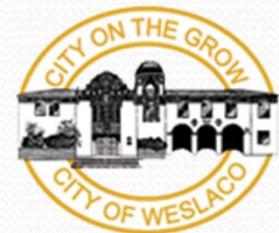

Commission Videos on Web

- Other Valley Cities:
 - McAllen
 - Edinburg
 - Brownsville

Commission Videos on Web

- Estimated Cost:
 - About \$2,500 per year, includes equipment, hosting, maintenance, training & support

Commission Videos on Web

- The Benefits:
 - Available the day after the Commission Meeting
 - Easy access and download for the Citizens of Weslaco
 - No need to spend thousands on a new server for the City
