SERVICES

The Fire Department provides our community with efficient Fire Suppression, Emergency Medical Service, Rescue, Hazardous Materials Response, Fire Prevention, Public Education, Community CPR, First Aid Classes, and Regional Medical Disaster Response.

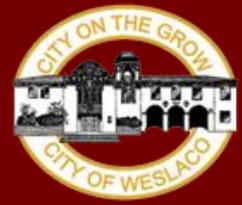

- We respond to approximately 8,000 EMS calls for service each year.
- Our ambulances are Mobile Intensive Care Units with aggressive medical protocols, overseen by Medical Doctors.
- Specialized teams in Rescue, HazMat and Medical Response.

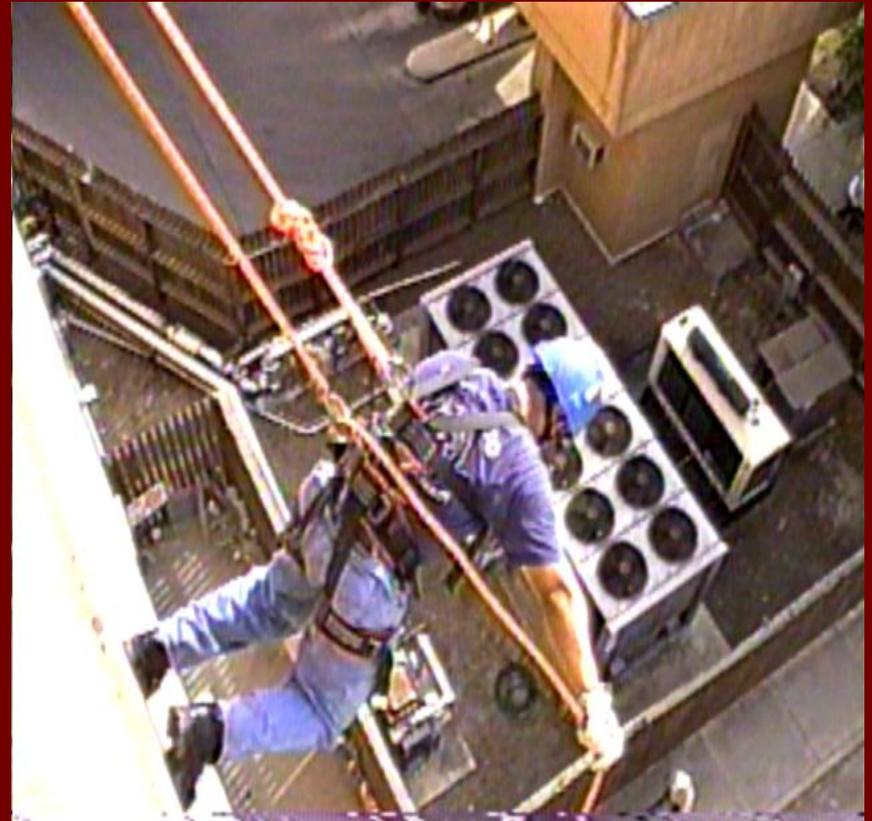

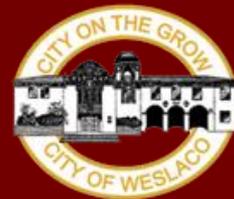

Weslaco firefighters train regularly to maintain their certifications and to stay current on trends in the fire service.

Additionally, all fire suppression and fire prevention personnel are emergency medical technicians, most with advanced certifications.

Weslaco Fire Department Emergency Vehicles

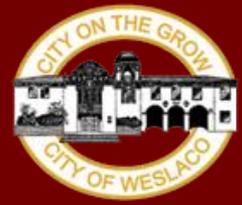

A well-prepared Fire Department can prevent loss of life and property.....That is what we strive for in the Weslaco Fire Department.

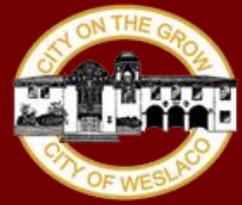

Honor Guard

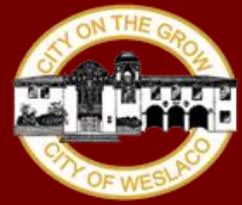

With the support of the City, we have established and trained a corps of firefighters to provide dignified service at funerals and memorial services. So far, the WFD Honor Guard has garnered \$2,250 in donations for Class "A" uniforms and supplies.

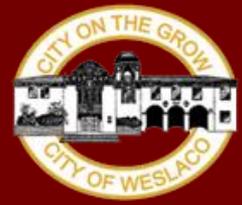

On **September 9, 2011** Weslaco East High School will have a home game....during the varsity game, our Honor Guard will present a Fire Department Flag Ceremony commemorating the 10th year anniversary of 9/11/01.

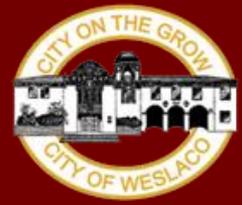

Weslaco Fire Department 85th Anniversary

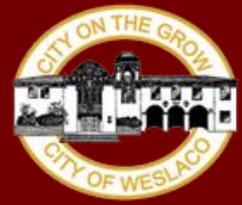

- Six firefighters have recently completed Paramedic school, adding to the number of advanced certified personnel in our Department.
- Fire Prevention Week is October 9-15 we are working together with the Weslaco Police Department to have a joint event on **Texas National Night Out**
