Debris Dumpsters Available to Citizens at Public Works Facility

Rolloff dumpsters stationed throughout the City in response to the flooding were relocated November 16, 2015 to the Public Works Department, located at 1912 Joe Stephens Avenue, Weslaco. Citizens who continue to clean up their property after the flood are welcome to deposit debris there at no charge; however, they will be required to provide proof of residence, such as Water Bill or Driver's License.

With any questions or concerns, please contact the Public Works Office at (956)973-3146.
