Ordinance No. _____

THE INTENT OF ZONING

Zoning is defined as the division of a municipality into districts for the purpose of regulating the use of private land. A city's police powers enable the municipality to regulate various land welfare of the entire public. They have been designed to lessen the congestion in the streets; to secure safety from, fire, panic, or other dangers; to provide adequate light and air, to prevent the overcrowding of land; to avoid undue concentration of population; to facilitate the adequate provisions of transportation, water sewage, schools, parks and other public requirements. Zoning must be done in accordance with a comprehensive master plan. Such a plan will be a pattern for future development and prohibits the arbitrary and capricious control of land.

HOW AM I AFFECTED

A city's unique character, just like Weslaco is preserved through the various arrangements of land uses permitted in an area. If incomplete land uses are placed together then the safety and character of Weslaco will be placed in danger. Zoning is used as a tool to establish and maintain the character of a neighborhood, if improper land uses are permitted, in the future they became non-conforming uses and spoil the character of an area. Zoning intent is to prevent this and cannot deny the continued use of a site if the site in non-conforming to the rest of the area. The intent of zoning is to provide guidelines for creating compatible land uses and provide the character Weslaco wishes to preserve.

A STATEMENT ON WESLACO'S ZONING ORDINANCE

Weslaco's Zoning Ordinance consists of the description of uses permitted in each district. It defines the different types of uses permitted in each zone. The Zoning Ordinance specifies height regulations, accessory building regulations parking and loading regulations and area, and density regulations.

WHAT IF A BUILDING OR SITE DOES NOT COMPLY WITH IT'S ZONING

If a building infringes upon the required building setbacks requirements; the Weslaco Board of Adjustments must consider then granting of an exception and Appeals of Zoning any also permit modifications to various building and lot requirements when necessitated. This may be due to the unusual size or shape of a parcel of land. A Board of Adjustments and Appeals of Zoning Petition Package are available at the Planning Department.
