City Continues to Work with Chamber

Weslaco, TX — The City of Weslaco will continue to work with the Weslaco Area Chamber of Commerce to promote local businesses in the Mid-Valley. The City recently reduced the Chamber's funding in order to finance construction projects such as Frontera Audubon and the Tower Theater.

"The City has consistently supported the Chamber's efforts to grow a healthy Mid-Valley economy by helping individual business," said Leonardo Olivares, City Manager. "The business community now has an opportunity to reexamine priorities and renew their commitment to a results-oriented organization. We will work with their Board and management to create jobs and increase investment."
